Greetings Community & Welcome to the 2021/22 Session with Brooklyn, Community Board 5.

First, we must extend our deepest gratitude to the great residents of CB5, for your continued support of our Board and District Office. Our community remained resilient and united through the devastation of 2020, 2021 and the ongoing recovery of 2022.

In that regard, CB5 is proud to enter this new year with an even greater level of dedication, respect, quality service, and awareness. At this time, meetings will remain virtual to ensure the safety and well-being of our residents. Please be sure to contact our District Office to learn how you can connect to the meetings during this session and make sure we remain connected. We look forward to seeing and hearing from you.
