Full Job Description

Job Summary

We are seeking those who are involved already, or willing to become involved in field support service of Flagging/Traffic Control. Your job will be to aid work crews by controlling traffic around their repair and construction sites. You will be required to wear a hard hat and safety vest as well as safety steel toe/composite toe boots. You will control traffic with a Stop and Slow paddle.

Certification is required in OSHA, inquire within about assistance in certification.

- Overtime available
- Holiday Pay

San Mateo Construction Corp.

- Checks Paid Weekly/Direct Deposit Available
- Part Time Work is also available!
- VEHICLE and VALID DRIVER LICENSE REQUIRED

Responsibilities and Duties

- You will arrive on time at job site given via your app from field supervisor.
- When you arrive on location you will introduce yourself to crew on site.
- Crew will direct you to where exactly you are needed.
- You will put up your "Flagger Ahead Sign" as per OSHA regulations.
- You will be provided necessary equipment such as vest/hard hat/radio/stop-slow paddle which you will use in coordination with you partner at the site to direct traffic.

Qualifications and Skills

- 10/30 Hour OSHA Construction certification
- Professional and Courteous
- Must have vehicle and valid driver's license
- Smart phone
